

Where your child requires medication during our service hours, please see important info below.

Where these requirements are not met, medication will **not** be administered.

Medication must be handed to educator from a Parent/Guardian (or other authorised nominee on the family FullyBooked account that has permission to “Authorise administration of medication”)

How should medication be provided to the service?

- Medication must be in its original packaging (cannot be in containers/ziploc).
- Medications must have the original pharmacy label with the name of the child to whom the medication is to be administered and clear instructions.
- Any changes to the instructions on the original packaging, must be supported by a letter from the doctor with the new instructions.
- Where tablets need to be split, we prefer a webster pack, but if not possible, a tablet splitter must be provided.
- Medication must be in date and not expired/past use by date.

What documents am I required to complete?

Parents/Carers must complete a **Medication Record** Form on drop off that includes:

- Supply Amount
- Name of child
- Name of medication
- Details of the date, time and dosage to be administered.
- Where applicable, the time of last dosage.
- Where required, indicate if the child is allowed to administer the medication themselves or have an educator do it.
- Signature of family member

Where a Medication comes under Schedule 8 Medications, a **Supply Amount** is to be counted and recorded by a Peak Educators in conjunction with Parent/Guardian. E.g. Concerta®, Ritalin®, Vyvanse®, Dexamfetamine.

Please allow extra time to complete this process on drop off.

Note: Please ensure your child's record in Fullybooked is up to date with dosage, times, and medication names, even if medication is taken outside of care hours.

Please access our important policies below from our website:
